

Learning Opportunities

Act 48 Eligible

Google Classroom 101 - 3 hours

First, watch this video: <https://drive.google.com/open?id=0B - exfwzaOEFX1pGYjR4ckIKb1E>

The course code is: **ow2kghx**

Now, click on this link to see how to join a class.

<https://support.google.com/edu/classroom/answer/6020297?hl=en>

Participants will:

- learn terminology in regards to online learning
- understand the workflow of Google Classroom
- develop an appreciation for online course management
- determine what components of Google Classroom will benefit their classroom (workflow, teacher-student communication, online discussions, etc.)
- receive **three (3) hours of Act 48** credit upon submission of all requirements

****IMPORTANT** At this time, due to restrictions from PDE, we cannot use any assignments or activities as extra credit or grades.**

SAS PDCenter - # of hours vary

<https://www.pdesas.org/>

There are various PD opportunities available – for free – that you can access on the PDESAS website. **This option does offer Act 48 hours!** You will need to “join” and create a log in.

Samples example opportunities:

- Text-Dependent Analysis – Digging Deeper – 10 hours
