

My Math – Assignment Student Work

To help guide your planning and assignment of work on My Math, please follow the steps below to find online videos.

Log on (open you TM) My Math Account -> left click on the menu in the upper left hand corner -> choose Professional Staff Development -> choose Implementation Support -> choose Get Started -> choose Experience the digital Adventure (PDF).

You should see:

- First, is a screen shot overview of the Digital Resources -> click “next”
- There is a video about the Teacher Center -> click “next”
- Then there is a video about the Student Center

There is quite a bit within the Implementation course module.
